**Dear parents, caregivers, students, families, and the wider community.  
E nga mātua, e nga kaitiaki, e nga tauira, e nga whānau, me te iwi whānui.**

**Kia ora koutou,**

As we head into Week Five, there is a real sense of pride and positive energy across Taupō Intermediate School. It has been fantastic to see students embracing the many opportunities already on offer — from sports registrations filling quickly, to lunchtime activities kicking off again next week, to students already reaching the summit of Mount Tauhara. Physical Education is in full swing, and the involvement and enthusiasm on display is something we are very proud of.

### **Meet, Greet and Goal-Set – Next Week**

A reminder that our Meet, Greet and Goal-Set sessions are taking place next week. These meetings are a valuable opportunity for whānau to connect with your child's teacher, share your aspirations, and discuss the goals and expectations you have for your child this year.

At TIS, we believe student success is strongest when school and whānau work in partnership. Our goal is not only to support each student's ambitions, but to walk alongside families in achieving them.

If you have not yet booked a time, please do so via the Hero app or by contacting your child's teacher directly. If the scheduled times do not suit, we warmly encourage you to arrange an alternative time. We genuinely hope to see every whānau represented.

### **TIS Excellence Passports**

We are very excited to share that our newly redesigned TIS Excellence Passports are currently with the printers. These have been nearly a year in the making and reflect the refreshed structure of our Taupō Intermediate School awards programme.

At the heart of the passport sit our three major excellence awards:

- Bevan Docherty Sporting Excellence Award
- Donovan Bixley Cultural Excellence Award
- Principal's Academic Excellence Award

Each award recognises commitment, perseverance and achievement within its respective pillar. Students can now track their progress clearly within the passport, setting goals and celebrating milestones along the way.

At the culmination of these sits our newly reshaped and reframed Tū Rangatira Award — formerly known as the Ambition Award. Tu Rangatira represents holistic excellence.

It acknowledges students who demonstrate sustained commitment across academic, sporting and cultural domains, alongside service and leadership. It reflects our desire to grow well-rounded young people who strive not only for personal success, but who uplift others along the way.

We are incredibly proud of how this passport brings together tradition and aspiration. It honours the legacy of our awards while providing a clear, structured pathway for students to pursue excellence across multiple areas of school life.

Our goal is to have these available for students during next week's Meet, Greet and Goal-Set sessions. Following this, passports will be available from Mr Blake.

### **Swimming Sports – Competitors Event**

Next Friday we will hold our annual Swimming Sports — and we are thrilled to be hosting it back in our own school pool.

After being without a pool for much of 2026 due to necessary upgrades to the pumping and filtration system, it is fantastic to have it operational again. A big thank you to our caretaker Mark for all his mahi and to Flow Plumbing for all their expertise in getting the new system up and running.

Please note that this year's Swimming Sports will be a competitors-only event, not a full school day. Students wishing to compete will select their events via a Google Form, which will be sent out and must be completed by Tuesday next week.

### **Bus Update**

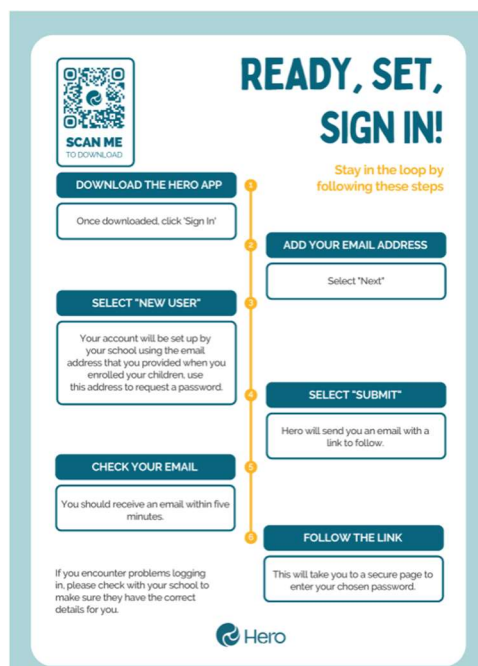

From Monday 23 February, buses will return to the Taupō-Nui-a-Tia College for changeovers. The temporary arrangement at Owen Delany Park has now concluded, and we appreciate everyone's flexibility during this time.

It is encouraging to see the progress being made at Taupō-Nui-a-Tia College, and we wish them all the best as they continue working through their current challenges.

It is exciting to see so many initiatives and opportunities underway so early in the year. Thank you for your continued support, and we look forward to welcoming many of you on site next week.

Have a safe and enjoyable weekend.

# FOOD TECH NEWSLETTER

FEB 2026

## What have we been up to?

We've had a busy and exciting few weeks in Food Technology with Mrs. Kingan!

Students have been getting confident in the kitchen by preparing a range of classics; including fruit smoothies, pancakes, banana chocolate chip muffins and cookies. Along the way, they've also been learning about common food allergies, the difference between dietary requirements and preferences and how to substitute ingredients effectively.

Next week, we'll shift into the design aspect of the Technology curriculum. Working in small groups, students will create an original cookie recipe tailored to a specific customer. They'll spend one lesson designing their product and the following lesson bringing their creations to life in the kitchen!

After that, we'll begin our Global Cuisine unit, where we will explore (and taste) foods from around the world.

# THE SUPPORT HUB

A big thank you to Room 11 students Jack Scapens (cook) and Piper and India for the delish waffle. Needless to say, it was devoured. Perfect jam and cream to waffle ratio. This was part of their in class learning with procedural writing.

## BREAKFAST CLUB

Breakfast club has kicked off again,  
815am till 850am in the hall Mon-Fri.

## UNIFORM

Plenty of fleeces available to get ready for winter.  
Reminder that shoes are black shoes or roman sandals.

Performance assembly this week had 2 staff members vs 2 students in Minute to win it challenge. A tissue box was strapped around their waist, and they had to remove 8 ping-pong balls before the minute is up. Lots of fun and laughter. A little fun with student and staff participation!

## Attendance

Patents are legally obligated to have their children at school each day. Please respond to our school message on Hero if your child is away and the reason for it. If your child will be away for an extended amount of time, put this in the message also so we don't hound you each day.

Teachers are required to phone whanau each afternoon to follow up an unexplained absence, so expect a phone call if you haven't messaged the school already.

# AGRI KIDS

TIS Agri kids kicked off the week with an amazing trip over to Opepe Farm.

Opepe Farm is providing practical learning opportunities while theoretical learning takes place in the classroom.

These students are competing in an Agri kids' competition at the end of the month.

"Thanks to Hilary and Dave for their initiative and support with this group"
